IU Project #20251100

The original Project Manual dated 21 August 2026, and Construction Documents dated 14 August 2026 shall be amended via this Addendum #02 dated 11 September 2026. The amendments to the documents shall be as follows:

GENERAL

1. Questions Received:

a. Question 1:

“There is a note about cleaning and polishing the stair treads and landings in the garages. Note A5 on the architectural drawings. Is the intent actually to polish the concrete or does IU just want them cleaned up via power washer and resealed?”

b. Answer to Question 1:

The existing concrete shall be cleaned and prepared only to the extent required by the concrete sealant product manufacturer’s requirements.

c. Question 2:

“Is IU opposed to a voluntary alternate to ice blast all of the steel decking that is heavily rusted/damaged and then making repairs and repainting?”

d. Answer to Question 2:

Voluntary alternates will not be accepted and are not to be included on the Bid Form.
